Kick-off meeting

Meetings are fundamental in the realization of the projects as VALUE, as they give the possibility to different partners to get to know each other, discuss about different situations and to take stock of the actual progress of the project.
The kick-off meeting (KOM), took place on 9th and 10th July 2019 at the Logonovo Hotel in Lido degli Estensi. The occasion was useful to start defining the modalities for carrying out the project activities but also an occasion to meet experts and researchers who will play a key role in the project.
